THE MINISTER OF YOUTH AFFAIRS AND SPORTS (SHRI MANI SHANKAR AIYAR): (a) and (b) It is primarily the responsibility of the state Government to create sports facilities including Sports Complexes in the country. Till 31.3.2005, the Ministry was supplementing the efforts of the State Government in this direction by providing Central assistance under the Centrally Sponsored Sports Infrastructure Schemes in accordance with the approved pattern subject to the receipt of viable proposals from the State Government including North Eastern States. Government decided to transfer the Sports Infrastructure Schemes to the State sector *w.e.f.* 1.4.2005. Thus, fresh cases for Sports Infrastructure projects have to be funded by State Governmens out of their own resources. However, the Planning Commission has indicated that funds to the extent of committed liabilities will be provided for ongoing approved Sports Infrastructure projects during the X Plan.

The details of Sports complexes of North Eastern States with Central Assistance approved have been given in the Statement. (See below) The exact status of construction of all these on going projects as on 31.1.2006 is not available in the Ministry.

(c) While conveying approval for the projects, State Governments were asked to avail of Central Assistance by submitting progress reports, utilization certificates etc. within two years from the date of issue of the approval. Target for completing the projects had to be fixed by the State Governments concerned.
